

## About WASC

One of the most successful Clubs in NSW, our philosophy embraces swimmers of all ages and abilities and encourages swimmers to achieve the highest goals possible.

The Club facilitates opportunities for swimmers to compete at meets at all levels including Club, Metro, Regional, State, National and International. Many Piranhas have represented Australia at the highest level.

The Club is renowned and admired for the way it fosters a supportive sense of community and the manner in which our swimmers compete and support their team mates during meets.

## What do I need

All club members are required to purchase the WASC uniform and swimming cap which must be worn at all swimming Meets.

This includes the WASC Polo Shirt and Shorts with the optional WASC Jacket.

Go to our website for ordering details.

## WARRINGAH PIRANHAS

Your local Swim Club for competitive swimmers, surf swimmers, and open water swimmers.

Home to Olympians and Paralympians

## Become a Member

Being a member gives swimmers the opportunity to experience competitive swimming at multiple levels from fun, social competitions through to Area, Metropolitan, State, National and International level.

The swimming season runs from October to September each year but you may join at any time in the season.

WASC is run by a group of dedicated volunteers who serve our community for the benefit of our swimmers. Members and their families are encouraged to participate in social activities and volunteering in order to support swimmers in their swimming journey.

## Competition

Warringah Aquatic Swim Club (WASC) is affiliated with the Warringah Amateur Swimming Association (WASA), Swimming Metro North East (SMNE), Swimming NSW (SNSW) and Swimming Australia (SAL).

Our Club encourages swimmers' competitive spirit to achieve beyond their learn to swim program in a friendly environment where swimming provides the opportunity to meet new like-minded friends within our community and beyond.
