Aquatic Swim Club

MEET PROCEDURES

Check your name against event/s in the Program. If incorrect immediately see the Clerk of Course (Marshalls). All heats in all events will be swum from fastest to slowest, meaning the fastest swimmers will be in the first heat and the slowest swimmers in the last heat etc.

MARSHALLING PROCEDURES

Any swimmer who fails to report to the Clerk of Course or Check Starters at least five (5) minutes prior to the event in which they are entered shall be deemed to be withdrawn. It is permissible for a swimmer's representative to report to the Clerk of Course on their behalf. Where a swimmer has difficulty in reporting to the Check starters by the required time, it is recommended that their representative report to the Clerk of Course on their behalf prior to the event closing. Once reported, a swimmer is not permitted to leave the Checkstarting area unless approval is first obtained from the Check starter. All heats shall be deemed to be one event for the purpose of this rule.

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.16.

In the event of there being sufficient withdrawals from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

MEDICAL ISSUES

By entering this event, competitors (or legal guardian) are declaring that they are fit to compete. In the event that an entrant experiences a medical issue whilst competing at, or during a WASC Meet, the entrant will be required to provide a medical clearance from a health care professional before being allowed to resume competition at that Meet. The Meet Director will have the sole authority to adjudicate on this rule. Please refer to SNSW Rule GR 3.3.

CONDITIONS OF ENTRY

It is a condition of entry to all WASC conducted meets that a parent/guardian timekeeps, officiates, or assists as required to help run the meet.

All entrants in a WASC Meet shall abide by and be subject to the Swimming New South Wales General Rules, Swimming Rules, Open Water Swimming Rules, By-Laws, Policies, and published procedures in accordance with General Rule GR3.2

MULTICLASS SWIMMERS

Please note that MC swimmers MUST report to the Referee prior to the first session in which they will be competing. This only needs to be done once during the Meet.

This is especially necessary for those athletes competing in able-bodied events where failure to report to the Referee may result in the competitor being disqualified if no exceptions have been reported.

STARTING INSTRUCTIONS

Assisted Self-marshalling will be employed at this meet.

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.
3. On the command "Take your marks", the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.
8. NOTE: "Starting over the top" is used at all WASC meets. At the Start of each race, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke, the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

WARM UP PROCEDURES

Warm up will commence at 8:00am. The main competition pool will be cleared at 8:35am. The diving pool & Lane 8 will be available for warm up and swim down until the end of the meet. Coaches are asked to co-operate in giving every competitor the best opportunity possible to prepare for their events.

HEALTH & SAFETY INFORMATION

We ask that you please be aware of the following health & safety information in relation to the event:

- If you or any member of your household are feeling unwell and/or have any symptoms, please do not attend the event.
- Please practice proper hygiene whilst present at the event and if you do begin to feel unwell during the day, please leave the venue.
- WAC will have food available for sale, however, WASC encourages competitors to bring any food or drink they require with them and do not share this with others. If Competitors or Spectators do purchase food or drink from the venue, please don't share this with anyone outside your household.
- Please bring with you, all of your own equipment that you need to compete and please do not share this with others.
- Adopt good hand hygiene practices at all times

FIELD OF PLAY

Warringah Aquatic Swim Club recognises that, from time to time, various people have the need to access the "field of play".

Authorised personnel includes but is not limited to:

- Appointed Technical Officials, Team Managers & Volunteers (must have a valid Working with Children Check)
- Swimmers who are entered in events of the swim meet
- Accredited Coaches who are current members of ASCTA
- Parent or Career for Multi-Class Swimmers who has been approved by WASC Officials (must have a valid Working with Children Check and Access Pass)
- SNSW Staff
- WASC Volunteers
- Security personnel and venue lifeguards

all of whom require physical access to pool deck and the area of competition as part of their function.

The Swimmers' change rooms/toilets are part of the "Field of Play" and are out of bounds for non-swimmers, including parents and coaches. For further clarification, please refer to the Field of Play Access Policy on the Swimming NSW website.

The granting, controlling, and monitoring of the physical access to the pool deck and the area of competition is important to the safety of persons authorised.

Coaches must display their current ASCTA membership card at all times on pool deck.

Individuals that require pool access to assist swimmers in the event that their Club coach cannot attend or they do not have a Club coach, may apply to WASC to be granted pool deck access.
